By signing below, I agree to the following:

That the information above is accurate to the best of my abilities. In case of an emergency where I cannot be reached by phone call, I give permission for AJS Farms, LLC to use the information above to perform the necessary steps to keep me, or my child, safe and healthy.

That AJS Farms, LLC, its trainers and volunteers, may take photographs of me/my child during class and may use the photographs for future marketing or advertising.

That I assume all health and safety risks for myself/my child by participating in activities with the public.

That I understand the sport of Equestrian Vaulting does not utilize helmets, as experts through the FEI & USEF conclude helmet use does not increase safety but increases risk of injury due to mechanics of the sport (consider a gymnast on a balance beam trying to perform a routine with a helmet).

That I understand and realize that participation in Equine Activities could include actions or tasks which might be dangerous or hazardous to me or my minor, and could cause harm or injury to me or my minor. I release AJS Farms, LLC, and all trainers and volunteers, from all liability, costs and damages which could arise from participation in Equine Activities. I agree to accept all financial responsibilities related to any injury or emergency treatment, and release AJS Farms, LLC, and all trainers and volunteers, from any responsibility arising from costs related to injury or emergencies. Under the Michigan Equine Activity Liability Act, an Equine Professional is not liable for an injury to or the death of a participant in an Equine Activity resulting from an inherent risk of the Equine Activity.
